### Officer Reports

**Exchequer:** without benefit of checkbook in hand, ~~it being lost in the bowels of my house:~~  
\$5,325.xx. Checks that are outstanding: \$700/tithe, Rose/lost, \$710/Fly, and the Shed payment is due. Also, the big coolers are ~~currently missing~~ Found, are said to be leaking, and may have to be replaced. In a side note, we may have to go and re-organize said storage unit.

**WebMinister:** Updates need to be made. Flyer for Spring Spears in linked.

**Chronicler:** Desperately seeking pix of Gulf for a future issue of Newsletter. Especially the new thrones.

**Herald:** Emerika's info has been submitted. Crispin is "volunteering" to re-take the position after he graduates in May. Crispin will also be available for Spring Spears. Current Herald has been offered and accepted a financially remunerative position in Virginia. Calontir's loss is Atlantia's gain.

**Arts & Sciences [A&S]:** Reminders via Seneschal and populous at large: Kingdom A&S is one week after our event. Spring Spears A&S will be run by Sciath. The Kingdom is still looking for classes to be taught at Lillies.

**Fighter Marshal:** Have had 2 practices in Lebanon, fighters there seem to have their authorizations up to date. Post-Gulf we were begin having local fighter practices. Saturdays will be more of a problem than a Sunday practice.

Eric will oversee Spring Spears as the current FM will be learning the preferred method of smashing Judges into judging slots. In a related note – in case of inclement weather, the alternate site for the fighting field in the basement, may be a bit cramped

**Archery:** there was a good shoot last week. Much fun has had, arrows lost and points left in butts. Next Archery date in 10 April, weather permitting.  
17 April is Unsung Heroes.

**New Business**

**Spring Spears 2017.** OLD SITE has a required deposit. In general acclamation, decided to reserve our date, with the possibility of cancelling at a later date.

Shrine Club [Buckthorn, Pulaski County] has been suggested as a potential alternate site.

**CalonCon 2016 [16 July].** Needs 7 to 8 classrooms. Kingdom pays. No feast. Possible Court. We should consider making a bid ...

**Spring Spears 2016.** “A Feast of Fools”

***I have no feet and often open my mouth to the flood. Now some man will consume me, who cares nothing for my clothing.***

***With the point of his knife he will rip the skin away from my side, and straight away eat me, uncooked as I am.***

**Driving Directions:**

**Archery Practice:** Beaver Creek Conservation Area: No Crossbows. No Archery if temperature is below [32° F] or above [95° F]. Temperature is based on Weather Cannel Reports. If forecast is in these extremes, a decision will be made in a timely fashion to allow for driving. If rain is forecasted follow rules for temperatures. From Rolla, take Highway 63 south for several miles. The range gate will be on your left, immediately across the highway from the VFW post. Drive through the gate to the top of the hill, park and take the line!

**Fighter Practice:** Will be held in conjunction with Archery Practice. Unless contrary information is promulgated via Facebook and/or Yahoo Group.

**Shire Meetings:** **Shire Meetings:** Newburg Vocational School: From I-44 cross over to Hwy T and head towards Newburg. There is a little past the patrol car waiting at the bottom of the hill to catch all of you scoff-law speeders. At the bottom of the hill the road will turn left, and you need to turn RIGHT. You will round the corner and see the school. Turn into the first drive way you see and park along the building to the LEFT. You will see parking spaces there, just park in any of them. Come in the side door by the parking. Once you enter the door, there is a hall that goes right/left and straight ahead, continue straight to the first door on the LEFT at the end of the short hall. Look for the SCA signs. If Newburg School District is closed due to weather, the meeting for that night is cancelled.
